

Joint statutory auditors' report to the general meeting of shareholders of Euronav SA on the consolidated financial statements for the year ended 31 December 2009

In accordance with legal and statutory requirements, we report to you on the performance of our audit mandate. This report includes our opinion on the consolidated financial statements together with the required additional comment and information.

Unqualified audit opinion on the consolidated financial statements

We have audited the consolidated financial statements of Euronav SA ("the company") and its subsidiaries (jointly "the group"), prepared in accordance with International Financial Reporting Standards, as adopted by the European Union, and with the legal and regulatory requirements applicable in Belgium. These consolidated accounts comprise the consolidated statement of financial position as of 31 December 2009 and the consolidated statements of income, comprehensive income, changes in equity and cash flows for the year then ended, as well as the summary of significant accounting policies and the other explanatory notes. The total of the consolidated statement of financial position amounts to KUSD 2.786.666 and the consolidated income statement shows a loss for the year of KUSD 17.614.

The board of directors of the company is responsible for the preparation of the consolidated financial statements. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing, legal requirements and auditing standards applicable in Belgium, as issued by the "Institut des Réviseurs d'Entreprises/Instituut der Bedrijfsrevisoren". Those standards require that we plan and perform the audit to obtain reasonable assurance whether the consolidated financial statements are free from material misstatement.

In accordance with these standards, we have performed procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we have considered internal control relevant to the company's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the group's internal control. We have also evaluated the appropriateness of the accounting policies used, the reasonableness of accounting estimates made by the company and the presentation of the consolidated financial statements, taken as a whole. Finally, we have obtained from management and responsible officers of the company the explanations and information necessary for our audit. We believe that the audit evidence we have obtained provides a reasonable basis for our opinion.

In our opinion, the consolidated financial statements give a true and fair view of the group's net worth and financial position as of 31 December 2009 and of its results and cash flows for the year then ended in accordance with International Financial Reporting Standards, as adopted by the European Union, and with the legal and regulatory requirements applicable in Belgium.

Additional comment and information

The preparation of the management report and its content are the responsibility of the board of directors.

Our responsibility is to supplement our report with the following additional comment and information, which do not modify our audit opinion on the financial statements:

- The management report on the consolidated financial statements includes the information required by law and is consistent with the consolidated financial statements. We are, however, unable to comment on the description of the principal risks and uncertainties which the group is facing, and on its financial situation, its foreseeable evolution or the significant influence of certain facts on its future development. We can nevertheless confirm that the matters disclosed do not present any obvious inconsistencies with the information that we became aware of during the performance of our mandate.
- As disclosed in the notes to the consolidated financial statements, the accounting policies applied when preparing these consolidated financial statements have been modified compared to the previous year.
