### Procedure

To reposition your shares from the European market to the US market, please

1. complete the Repositioning Form
2. if the shares are to be delivered directly to a DTC participant, ensure the DTC participant is aware of repositioning request
3. send the Repositioning Form to: [ebe.issuer@euroclear.com](mailto:ebe.issuer@euroclear.com)

We will be able to process your request same day, if we receive and can validate your request before 16:00 (Brussels local time) on a Business Day.

Once your request is validated, we will contact the US registrar, Computershare, and request them to credit the shares in the US market. If the request is to deliver the shares to a DTC participant, Computershare will deliver the shares to the DTC participant, noted on the Repositioning Form, as a Delivery vs Payment ('DVP') transaction from the Computershare DTC Participant Account #2415. The Payment will be the Computershare fee charged for the repositioning request as noted below.

If the request is to issue the shares directly on the US register a Direct Registration System ('DRS') statement will be issued and mailed to the shareholder.

Note: the time difference will have an effect on the timing of the delivery in the US market.
