

Want to work in Antwerp for the world's largest, independent publicly listed crude tanker operator? Join Euronav and become our new Accountant!

What will be your responsibilities?

Primary aim

The accountant will contribute to the efficient and effective workings of the accounting department by executing daily tasks with a strong attention to detail and accuracy.

Roles & responsibilities

- Assisting with the monthly, quarterly and year-end closings;
- Recording bank journals and preparing payment proposals;
- Follow-up of cash position and fund request;
- Register and follow-up balances of the accounts payables;
- Contributing each month to the preparation of the declarations (like VAT & others);
- Matching General Ledgers;
- Communicate & cooperate with other colleagues and departments as necessary, in order to get the required info;
- Managing both Accounts Payable (AP) and Accounts Receivable (AR), focusing on accuracy, timely processing of payments and effective communication with both suppliers and customers;
- Other administrative support, such as; preparing SOX control reports, follow-up balance accounts, assisting with preparation of audit process and in ad-hoc projects, ...

Are you who we are looking for?

Formal education: bachelor's degree in accounting or equivalent by experience.

Experience: Preferably 2 or 3 years of experience in Accounting, Shipping industry experience is a plus.

Qualifications:

- Excellent MS Office knowledge and reporting skills;
- Good knowledge of BE GAAP;
- You have an eye for detail, but still you keep an overview;
- Discretion and reliability are indispensable in this job;
- You have a sense of responsibility and have the necessary commitment;
- You are precise, enjoy working with figures and are eager to learn;
- A team player with good communication skills, but you can also work independently and in a structured way.

Languages: Fluent in Dutch and a very good knowledge of English.
